# CENTRO CONGRESSI – FIERA DEL LEVANTE

## BARI

The Congress & Events Area consists of 24 modular spaces with a capacity ranging from a few dozen to over 4,000 seats in a theater-style arrangement, regularly hosting more than 120 conferences a year. Building 1 of the New Congress Center is an architectural gem, a multifunctional space integrated with the most advanced technological support, representing the pinnacle of conference offerings in Southern Italy.

It is a flexible environment with plenary halls seating from 3,000 to 4,000 people, extendable to 9,000 for large spectacular events. The exhibition district is strategically located with easy connections: just 10 minutes from Bari-Palese Airport, 2 km from the central train station, and close to major highway junctions. It has ample internal parking and is well-served by local public transportation.
